

PROGRAM OBJECTIVES CHECKLIST: 2013-14

Degree Program: *Bachelor of Science in Church Ministries*

Name of Instructor: *Master Copy (All Faculty Responses)*

To the instructor: For each course that you taught last year or are teaching in the current year, place a check mark under every goal that you assess in a major exam or project. Leave the other cells blank.

PROGRAM LEARNING OBJECTIVES -

Course:	Goal 1: Defend the position that the Bible is the inspired Word of God and a complete rule of faith and practice.	Goal 2: Make significant application of biblical truth to his personal and family life.	Goal 3: Read extensively in the field of secular literature and other media and objectively evaluate this material in the light of the Scriptures.	Goal 4: Demonstrate that he has acquired a comprehensive knowledge of the Bible, Christian doctrine, and Christian ministry.	Goal 5: Provide evidence of having sufficient knowledge in the fields of natural and social science necessary to communicate with contemporary society.	Goal 6: Show that he has developed a Christian philosophy of missions based on New Testament teachings to prepare him for participating in the missionary enterprise at home and abroad.	Goal 7: Exhibit sufficient knowledge to interpret the facts of history in order to be assured of an accurate working knowledge of the field.
