

Southeastern Baptist College
STUDENT COURSE EVALUATIONS

Students indicate their honest and anonymous feelings about a course and the way it was taught, rating each statement by how satisfied/how much they agree with each statement. Students are asked questions regarding course organization, content, presentation, and evaluation techniques. The following results show overall scores - percentages of students' agreement with positive statements concerning the content and quality of the course.

***Detailed, question-by-question results are on file and available upon request with the Institutional Effectiveness Office.*

**On the following chart, blank spaces indicate that particular course was not taught during that academic year; many courses are offered once every two years according to the suggested schedules.*
